

genesis colours

Sei colori e un unico formato Genesis Colours, presenta superfici per il design degli spazi residenziali e commerciali. Nata come rivestimento in abbinamento alle serie da pavimento Genesis e Genesis Loft di Cercom, la collezione, realizzata con una tecnologia all'avanguardia e arricchita di decori, listelli e mosaici, offre una grande versatilità perfetta per rispondere alle esigenze di libertà compositiva richiesta dal mondo del progetto contemporaneo.

18 Six colours and one size: Genesis Colours presents surfaces for designing residential and commercial spaces. The collection originated as a wall tile range to combine with the Cercom Genesis and Genesis Loft series; it has been created with cutting-edge technology and enhanced with patterns, border tiles and mosaic tiles, to offer great versatility, perfect to meet the need for freedom in composition required by the world of contemporary design.

À travers six couleurs et un format unique, Genesis Colours propose des surfaces pour le design des espaces résidentiels et commerciaux. Créée en tant que revêtement associé aux séries pour sol Genesis et Genesis Loft de Cercom, la collection, réalisée avec une technologie à l'avantgarde, est ornée de décors à listels et mosaïques. Elle se caractérise par sa grande polyvalence et satisfait pleinement aux exigences de liberté de composition requises par le monde de la conception contemporaine.

Sechs Farben und ein einziges Format: Genesis Colours präsentiert Oberflächen für das Design der Wohn- und Gewerbebereiche. Die für die Kombination mit den Bodenplattenserien Genesis und Genesis Loft von Cercom entwickelte Kollektion wird mit einer hochmodernen Technologie gefertigt, ist mit Dekoren, Listellos und Mosaiken angereichert und bietet eine großzügige Vielseitigkeit, um dem Verlangen der modernen Projektwelt nach Kombinationsfreiheit gerecht zu werden.

Шесть цветов в едином формате Genesis Colours представляют поверхности для дизайна жилых и торговых объектов. Появившись на свет как облицовочный материал, сочетающийся с серией напольной плитки Genesis и Genesis Loft от Cercom, эта коллекция, созданная при помощи современной технологии и обогащенная речным и мозаичным декором, предлагает огромную универсальность, наилучшим образом отвечающую на необходимости композиционной свободы, которую требует мир современного дизайна.
