PETRACER'S

PREGIATE CERAMICHE ITALIANE

Veneziano

Carnevale Venetiano

Un'altra storia.

di

Il travestimento è costume.

Disguise is the tradition.

伪装为衣装，

Маскировка, это приятно.

Mille coriandoli a spargere colore e festa, lo sguardo è catturato, sedotto dalla profondità delle sfumature. Si ispira al battuto veneziano questo progetto ceramico che grazie agli inserti lineari unisce libertà creativa e regola geometrica. Carnevale Veneziano è la materia che si fa poesia, uno stile che interpreta la tradizione e sapientemente la rinnova. Una collezione dal sapore retrò, per chi vuole un pavimento che incanta con la magia di un effetto insieme sobrio e potente.

A thousand confetti spreading joy and colour. The gaze is attracted, seduced by the deep nuances. This project takes inspiration from the battuto veneziano, and uses ceramic linear inserts to combine creative freedom and geometric rigour. Carnevale Veneziano is matter turned into poetry, with a style that celebrates tradition while skilfully rearticulating it. A retro collection, created for anyone who wants a floor with all the magic of a simple, yet powerful effect.

如同婚礼上飘然洒落的纸屑，五彩缤纷，喜庆夺人。这款产品传古典威尼斯地面之神韵、凭借陶瓷的线形尽显其独特的自由与几何魅力。威尼斯嘉年华是诗歌的源泉，是诠释传统发扬传统美的一种独特方式，专为钟情于冷静与力量型人士横空缔造。

Тысячи многоцветных сверкающих крошек, передающие атмосферу радужного праздника, ухваченного зрением, соблазненным глубиной растяжек и разнообразия цветов. Вдохновение этот керамический проект находит в Венецианском стиле которая благодаря линейным внедрениям декоративных элементов прекрасно объединяющей свододу творчества и правила геометрии. Карнавалле Венециано — это материя которая творит поэзию, стиль который передает традиции и сознательно их обновляет. Это коллекция со вкусом ретро, для тех кто хотят полы передающие волшебным образом, эффект нежности и силу.
