SETTECENTO  
ceramica d'arte

Porcellanato ceramico di gran classe, quello di Sarawak. Colorato nella massa, smaltato e rettificato, è caratterizzato da formati speciali che privilegiano la lunghezza, ma soprattutto è dotato di cinque articolate linee di decori che, oltre al loro alto contenuto tecnico, propongono soluzioni d'arredo di grande attualità, spaziando dal gusto esotico che richiama luoghi e mari lontani a quello più modernamente romantico.

STRUTTURATO CANVAS

A high class porcelain stoneware, the one provided by Sarawak series. It's full-body, coloured, glazed and finally rectified. It's characterized by special sizes, exalting the length dimension. And, on top of it all, it's enriched by five different decorating sets which, besides their technical features, can suggest up-to-date fit up solutions, from the exotic taste recalling far seas and sites, to the most neo-romantic one.

Sarawak, un grès cérame de grande classe. Coloré dans la masse avec un émail "ton sur ton" et rectifié, il affirme son caractère par la particularité et l'originalité des ses formats, enrichie par la présence de cinq lignes de decors et mosaïques. Issu d'une fabrication de haute technologie, il offre par la technicité de ses dimensions, une grande souplesse d'utilisation dans différents milieux. Sarawak, grès de pleine masse rappelle, par son aspect et ses décors, a la fois le neo-romantisme et le charme exotique des cultures des mers indonésiennes.

Erstklassiges Feinsteinzeug, dieses von Sarawak: durchgefärbt, glasiert und kalibriert, gekennzeichnet durch besondere, die Länge unterstreichende Formate, aber vor allem ausgestattet mit fuenf Dekorationsvarianten, die ueber den hohen technischen Gehalt hinaus, Gestaltungen allergroesster Aktualitaet bei der Ausstattung des Innenbereichs ermoeglichen, deren Spannweite von exotischen Stil ferner Orte und Meere bis hin zum eher modernen romantischen reicht.
