your dreams, our daily commitment

Diamo forma ai desideri.

TREND significa tendenza. È vitalità, movimento, evoluzione. È la visione di ciò che sarà espresso attraverso la capacità di eseguire accostamenti materici e cromatici originali.

L'espressione pregiata del "Made in Italy" incontra lo spirito d'impresa americano che rifiuta ciò che è scontato e prevedibile. Nascono così le suggestioni creative inedite delle nostre collezioni in mosaico, vetro, agglomerato, smalti, ori e pietra naturale: soluzioni d'autore in cui colore, forma e materia si fondono in armonie perfette.

I tuoi sogni sono il nostro impegno quotidiano.

Wir geben Ihrer Wünschen Form.

TREND bedeutet Tendenz. Es ist Vitalität, Bewegung, Evolution. Es ist der Ausdruck der Fähigkeit, Materialien und Farben zu kombinieren.

Der Ausdruck von "Made in Italy" trifft den amerikanischen Unternehmungsgeist, der was erwartet und voraussehbar ablehnt. Dadurch entstehen die neuen und eigenartigen Suggestionen unserer Kollektionen aus Mosaik, Glas, Agglomeraten, Emailen, Gold und Naturstein: originale Ideen wo Farbe, Form und Material in perfekter Harmonie verschmelzen.

Ihre Wünsche sind unsere tägliche Verpflichtung.

We give shape to your desires.

TREND means tendency. It is energy, movement and evolution. It is the vision of what is to come, the expression of the ability to carry out original combinations of material and color.

The craftsmanship of being "made in Italy" combined with American spirit, which refuses to be expected or predictable, gives birth to the creative and evocative power of our collections of mosaics, colored glass, agglomerates, enamel, gold leaf tesserae and natural stone: unique solutions in which color, shape and substance fuse in perfect harmony.

Your dreams are our daily commitment.

Vos désirs prennent forme.

TREND signifie "tendance". C'est vitalité, mouvement, évolution. C'est sa vision du futur à travers sa capacité de réaliser d'inusuelles associations chromatiques et de matière.

Le "Made in Italy" se lie donc à l'esprit d'entreprise américain qui fuit tout ce qui est acquis et prévisible.

Et voilà les suggestions créatives inédites de nos collections en mosaïque, verre, agglomérés, émaux et pierre naturelle: des solutions artistiques où couleur, forme et matière se fondent dans des harmonies parfaites.

Vos rêves, nos engagements quotidiens.

Démosle forma a nuestros deseos.

TREND significa tendencia. Es vitalidad, movimiento, evolución. Es la visión de aquello que expresamos a través de nuestra capacidad de ejecutar combinaciones de materiales y cromáticos originales.

La expresión preciada de los productos "Made in Italy" se une al espíritu empresarial americano que descarta lo previsible y lo que se da por descontado. Así nacen las sugerencias creativas inéditas de nuestras colecciones de mosaico, vitrero, aglomerados, esmaltes, oros y piedras naturales: soluciones de creadores en las cuales color, forma y materia se funden en perfecta armonía.

Tus sueños son nuestro esfuerzo cotidiano.

Придадим форму желаниям.

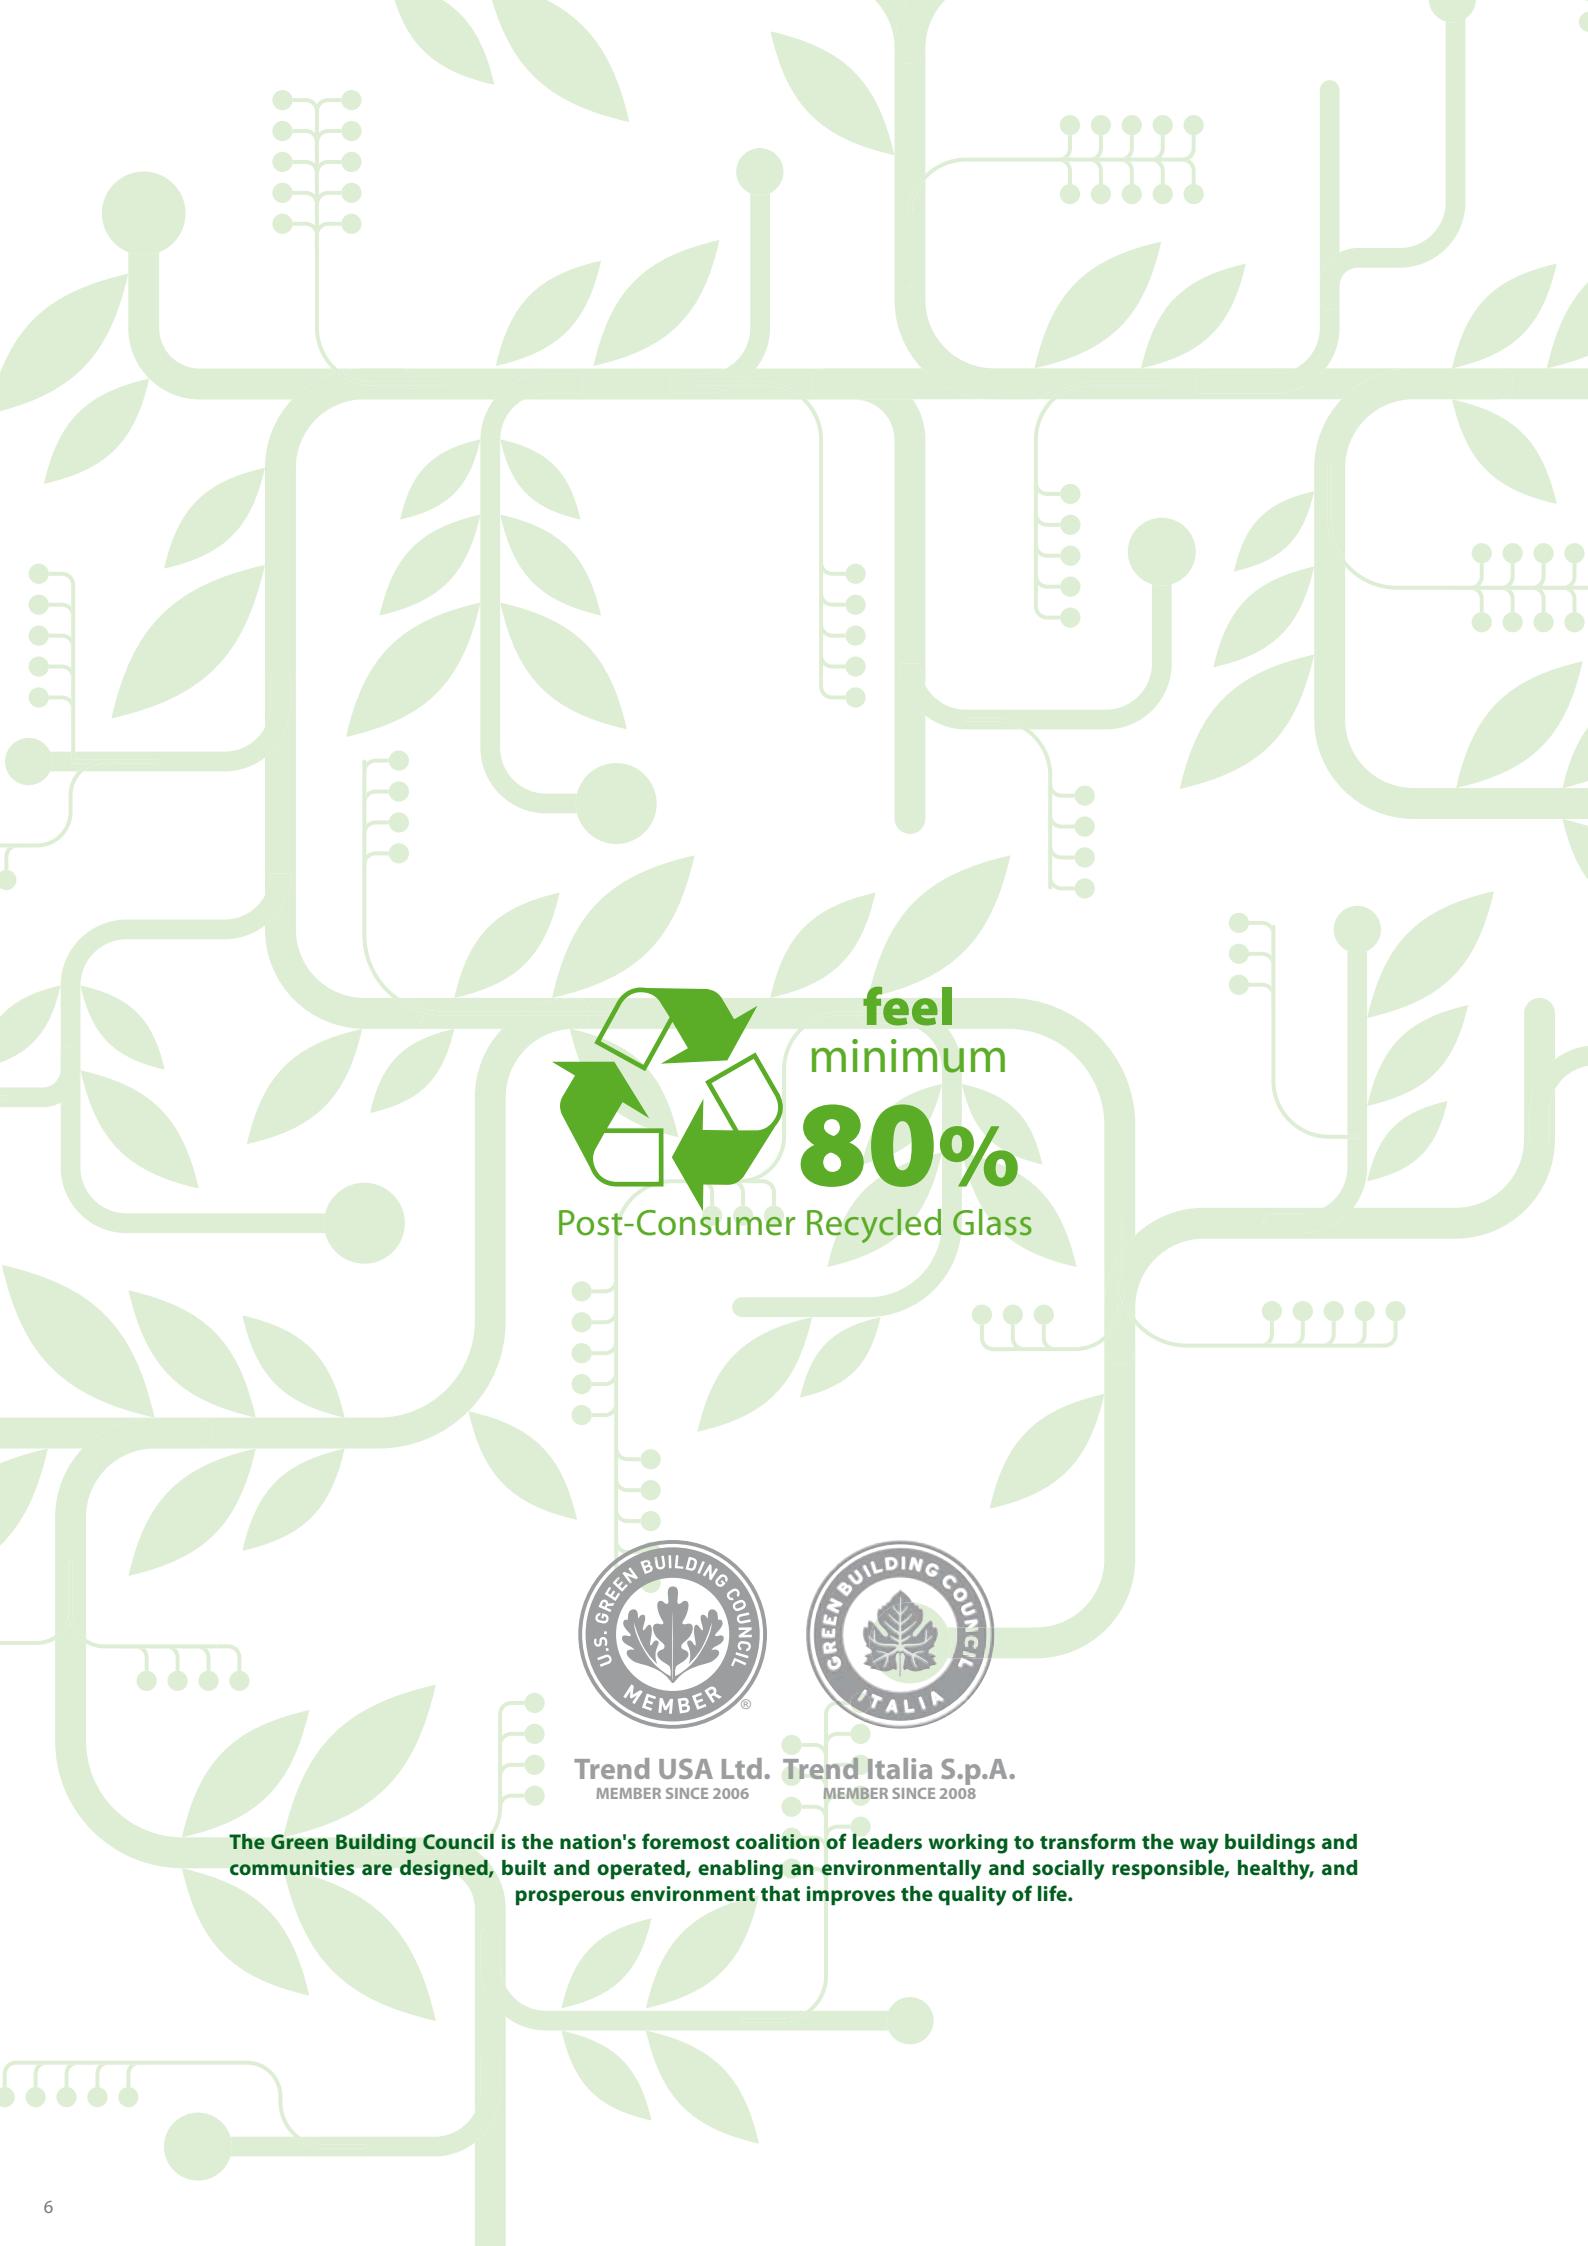

TREND означает тенденция. то жизнеспособность, движение, это эволюция. TREND - это мировоззренческая концепция того, что будет выражено посредством способности к оригинальным сочетаниям материалов и цветов.

то ценное и утонченное выражение стиля "Made in Italy" в сочетании с американским духом предпринимательства, который отвергает все что предвидимо и само собой разумеется.

Так создается оригинальное и креативное очарование наших коллекций из мозаики, стекла, агломератов, смальты, золотой мозаики и натурального камня: авторские решения, в которых цвет, форма и материалы сливаются в единой гармонии.

Твои мечты – это наше ежедневное обязательство.

I riflessi delicati del tono su tono tracciano foglie e fiori, evocano effetti d'acqua, segnano le sfumature dei minerali. La luce attenua i contrasti, stimola i sensi, illumina gli elementi della natura.

The delicate gleam of tone-on-tone suggests leaves and flowers, evokes the effect of water and marks the shadings of minerals. Light accentuates the contrasts, stimulates the senses and illuminates the elements of nature.

Les reflets délicats du ton sur ton dessinent des feuilles et des fleurs, évoquent des effets d'eau, montrent les dégradés des minéraux. La lumière atténue les contrastes, stimule les sens, illumine les éléments de la nature.

Der feine Abglanz Ton in Ton charakterisiert Blätter und Blumen, erinnert an Wassereffekte und gibt die Farbtöne der Minerale wieder. Das Licht mildert die Kontraste, reizt die Sinne, lässt die Naturelemente erstrahlen.

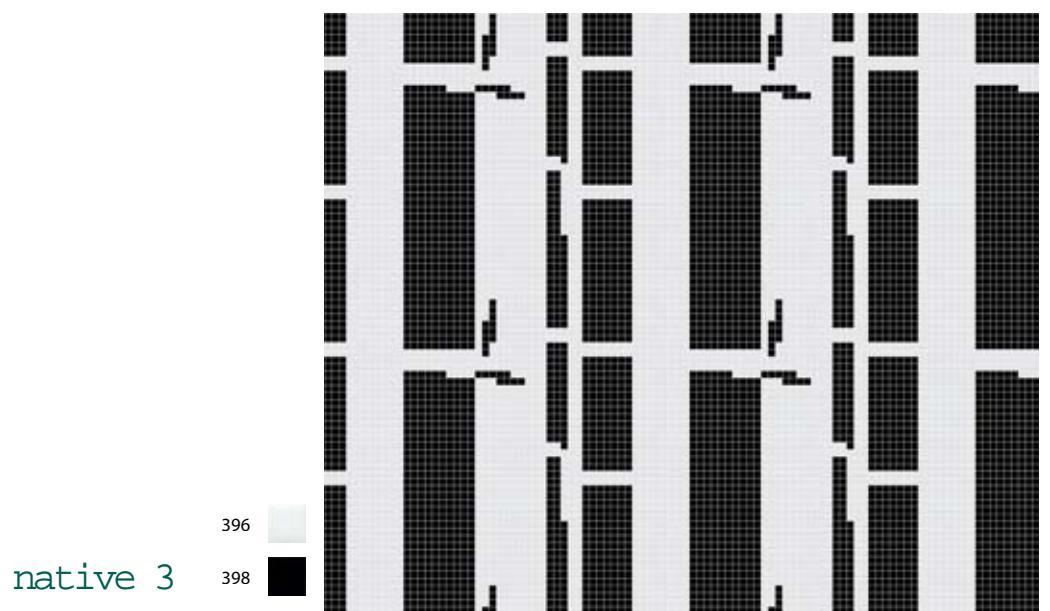

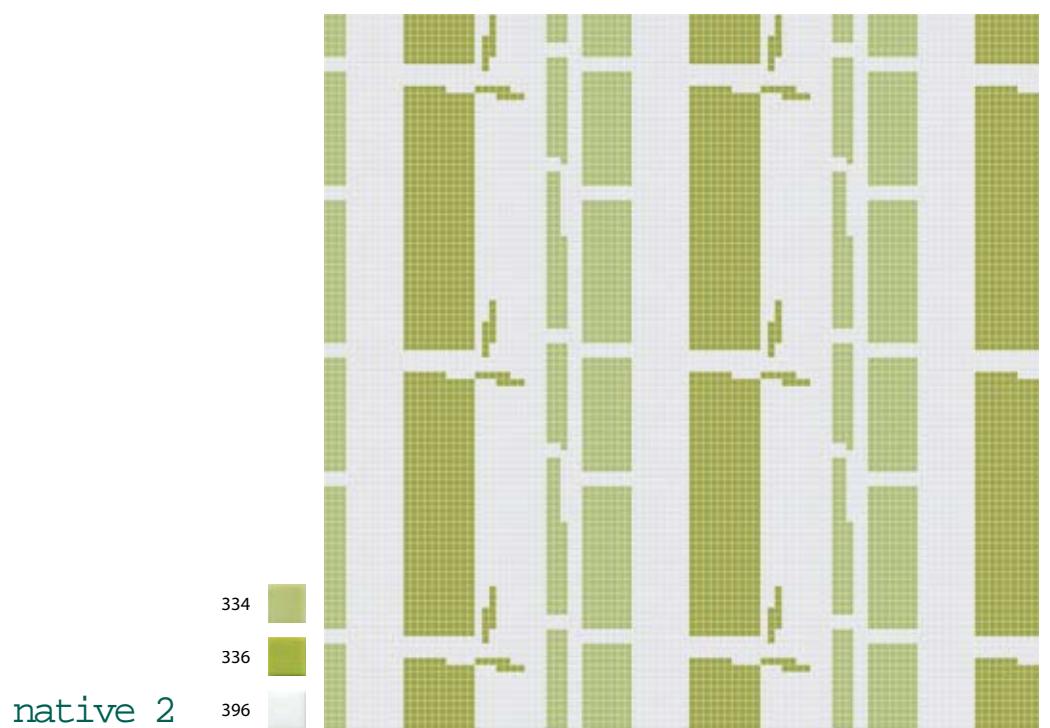

Los delicados reflejos del tono sobre tono dibujan hojas y flores, evocan efectos acuosos, señalan las tonalidades de los minerales. La luz atenua los contrastes, estimula los sentidos e ilumina los elementos naturales.

Нежные тона и абрисы листьев и цветов напоминают тени на воде и контуры минералов. Свет смягчает контрасты и освещает элементы природы.
